

2024-2025 Parking FYIs

- 1) Permits run from fall through summer, so the 2024-2025 permits will encompass Fall 2024 through Summer 2025.
- 2) Parking permits for the 2024-2025 academic year will be available for purchase in late July 2024. Students will receive an e-mail when the permits go live. **Please do not try to request a permit until you are notified, as the permits currently available on the MyParking Portal are for the 2023-2024 academic year and they expire on 8/31/2024.**
- 3) RSC will be switching from window decals to hang tags. You may currently see vehicles with window decals while on campus, but rear-view mirror hang tags will be used going forward.
- 4) Parking permits for full-time undergraduate students are built into the comprehensive fee, so no additional payment is necessary when completing a permit request.

Permits for graduate students, evening students, and part-time undergraduate students are \$50.00 for the full year. The price decreases to \$30.00 after January 1st and to \$20.00 the Monday after graduation in May. It is not possible to buy a permit just for the fall semester.
