

TRANSFER TO RUSSELL SAGE COLLEGE

We created this checklist to help you stay on track during your transfer journey. Transfer students don't get lost at Russell Sage, whether it's our personalized admission process or the community of students they find on campus.

Visit Russell Sage College

Visiting campus and meeting with the admission team is an important first step. Chat with an admission counselor about:

- Transfer credits and degree completion
- Affordability and financial aid
- Academics and student life at Russell Sage

Submit your application

Submitting an application lets us know you are interested in pursuing your degree with us. You'll need:

- A completed application. Our application is quick, easy, and free. Submit it today.
- College transcripts. Whether you took one course or 10 courses at a previous institution, or took a college course in high school, we need all of the transcripts. Submit unofficial or official copies to begin your application review process.
- Letter of recommendation from an advisor or teacher.

Chat with an Admission Counselor

I know what you are thinking... I already did this. It's important to review your transcripts with our team so you'll know the timeframe for earning your bachelor's degree with us. Connect with us in-person, via phone, or via zoom!

Apply for the Free Application for Federal Student Aid (FAFSA)

Your investment in a Russell Sage College education is an investment in yourself. Along with our merit scholarships, you can apply for the Free Application for Federal Student Aid (FAFSA) to what other aid you may be eligible for.

Submit all official final transcripts

In order for your credits from other colleges to transfer to Russell Sage, you'll need to have all official transcripts sent to us. You can transfer up to 75 credits. Reach out to the registrar office at your previous institution(s) to have your transcripts sent over.

Submit your deposit

Securing your spot in the upcoming class is easy — submit your deposit at sage.edu/deposit. You'll need your Student ID (located on your acceptance letter and email).

Classes start on Tuesday, January 22, 2025, for the spring 2025 semester. Class registration begins on November 18, 2024, so secure your spot today to get the classes you want!
