

Date: December 9, 2024,

Articulation Agreement between Hudson Valley Community College, Early Childhood and Childhood Education A.S. and Russell Sage College, Childhood and Early Childhood Education (B-6) B.S.

Objective

This articulation agreement is intended to facilitate the transfer of qualified students currently enrolled in the Early Childhood and Childhood Education A.S. program at SUNY Hudson Valley Community College (HVCC) into the Childhood and Early Childhood Education (B-6) B.S. program at Russell Sage College (RSC). Counselors at HVCC can use information in this agreement to advise students as they express an interest in the Childhood and Early Childhood Education (B-6) B.S. program as to which courses should be taken prior to application for transfer.

Terms of Agreement

The latest available catalogs of the two institutions are reviewed by the appropriate Department Chairs from each institution. Department chairs of both institutions, and the appropriate administrator of both institutions, must sign the revised documents. This articulation agreement, once signed, will be effective immediately and must be reviewed and re-approved in the same manner at least once every three years hereafter in order to remain in effect. It can be renegotiated at the request of either institution, especially if there is substantial change in relevant curricula at either institution. Either college may amend or terminate the agreement, giving the other one year written notice.

Russell Sage College agrees to accept and transfer into the Childhood and Early Childhood Education (B-6) B.S. program up to 63 credits earned by the student at Hudson Valley Community College and who takes the courses listed below. Only courses of earned grades of C- or better will qualify for transfer.

This agreement covers courses taken at Hudson Valley Community College only. If students from Hudson Valley Community College have credits on their transcripts from other institutions, the Russell Sage College rules for accepting transferred credit will apply to those credits.

**HVCC Early Childhood and Childhood Education A.S. and
Russell Sage College Childhood and Early Childhood Education (B-6) B.S.**
